FACTS

The Broadway score of GREASE™ has been supplemented by a selection of genuine Golden Oldies from the Fabulous Fifties, as well as by original songs contributed by Louis St. Louis and Sha-Na-Na's Scott Simon, and by John Farrar. Producers Stigwood and Carr have spared no expense in making GREASE™ an accurate reflection of its times.

FACTS

To complement John Travolta's charms, the GREASE™ producers persuaded international recording star Olivia Newton-John to make her American film debut. With more gold records and worldwide awards than any other contemporary female vocalist, Olivia stars as Sandy, Travolta's beautifully and painfully innocent love interest.
